PRAY

BOB & DONNA
CENTRAL AMERICA

Bob trains Mexicans to serve on all of the continents around the world. This includes many countries that are no longer open to western missionaries, but where Latin Americans have an easier time ministering, particularly Muslim countries in the Middle East. Ten years ago Donna was invited to work as an illustrator with a team of translators filming a Bible translation for the deaf in Mexico. They have produced translations of Ruth, Jonah, Mark, Luke and soon Matthew in the form of DVDs used in church services and for evangelism.

Pray for Bob as he transitions from a trainer of workers to the coach of a new generation of workers going out across the world to the fields where they are called to serve.

Pray that he will learn the skills of a coach in order to help this new generation succeed in their ministries.

Pray that God will bring additional illustrators for Donna to help get started in the work of Bible illustration.

Many college students from the Refuge are sharing the good news in East Asia and Europe this summer, but everyone at The Chapel can have a part in the work they are doing. Commit to pray for the health, safety and spiritual growth of these students. **Pray** that the seeds planted through the relationships they develop will bear fruit.
