

Asking for a Friend – Can I Really Believe the Bible? Participant Guide

Have you ever heard this saying or one like it - “The Bible says it and that settles it”? What do you think about that statement? Is the Bible the foundation of the Christian faith?

The reason Christians believe we can trust the Bible is who wrote it and when. What are some important dates in history that verify the date of the Bible? How can these dates help verify the “eyewitness status” of the authors?

The amount of manuscripts of the New Testament is staggering when compared to the number of other historical documents. How does this support the validity and accuracy of the Bible?

So if we can believe the Bible, what does that mean for us? What good is it if it’s true? How you currently living this truth out in your life?

What next step can you take with the Bible this week?
